

A close-up photograph of cowhide, showing a mix of dark brown and white patches. The texture of the fur is clearly visible, with individual hairs catching the light. The composition is a tight shot, focusing on the intricate patterns of the animal's coat.

BELMONDO
cowhide

hillmann.

About

BELMONDO is a natural cowhide available in five different patterns (tricolor, black, brown-white, black-white and exotic). Each hide is unique and retains its natural shape and appearance. No two hides ever look the same.

Specifications

Hide size	3,00 – 4,00 m ²
Thickness	1,4 – 1,6 mm
